I hereby certify that this paper is being deposited with the United States Postal Service "Express Mail Post Office to Addressee" service under 37 CFR 1.10 on the date indicated above and is addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450

Barbara Villani

In the event that this Paper is late filed, and the necessary petition for extension of time is not filed concurrently herewith, please consider this as a Petition for the requisite extension of time, and to the extent not tendered by check attached hereto, authorization to charge the extension fee, or any other fee required in connection with this Paper to Account No. 06-1378.

INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450,
Alexandria, VA 22313-1450

S I R :

It is respectfully requested that the documents listed on the attached form PTO/SB/08A be considered and made of record. A copy of the Japanese document (with an English Abstract) is submitted herewith.

The U.S. patent publication identified on said form PTO/SB/08A is not enclosed herewith since the USPTO waived the requirement to file copies of U.S. patents and U.S. patent application publications for U.S. applications filed after June 30, 2003. See the USPTO Notice dated July 11, 2003.

Discussion

Japanese No. 2000-280550 discloses a cutter mechanism in which a movable blade is removable from a stationary blade. However, the publication does not disclose a mechanism that is enabled to carry out exchange of parts easily by providing a first unit removable from a housing and a second unit removable from the first unit the first unit including either one of a printing head and platen constituting a printing mechanism and either one of the movable blade and stationary blade constituting

the cutter mechanism and, the second unit including the other elements of the printing mechanism and the cutter mechanism.

Respectfully submitted,

Leonard Holtz
